Our Approach to Learning: Empowering Students for Success

Our innovative approach to learning is built around the 5 ISP pillars, ensuring a holistic and dynamic educational experience. We deliver a rich curriculum that blends academic excellence with personal growth, preparing students to thrive in a rapidly changing world and to embrace challenges with confidence.

Future Pathways Empower Each Student Future Pathways

At St. Dominic's we celebrate each child's individuality by designing personalized Future Pathways that align with their passions, strengths, and goals. From local and global university fairs to personalized career guidance, this tailored approach ensures every student is empowered to thrive, making learning not only meaningful but also a powerful step towards their future success.

Multilingualism: Unlocking Global Opportunities

At St. Dominic's students thrive in a vibrant, multilingual community where English is the language of instruction, with Portuguese, Spanish, French and Mandarin language as part of the curriculum. In the last two years of their schooling, students can also chose a self-taught language of preference. With over 50 nationalities, our students are immersed in a rich, inclusive environment that fosters global citizenship, reinforcing our commitment to excellence in education and international understanding.

Life Competencies Build Future-proof Careers

At St. Dominic's we equip students with the skills needed to thrive in a rapidly changing world. Through our low student-to-teacher ratio and the innovative Learning.First approach, our educators tailor their teaching to meet each student's unique needs. This personalized approach ensures students stay engaged, continuously improve, and surpass their academic and life skills potential, preparing them for success throughout their lives.

International Learning Opportunities (ILOS)

At St. Dominic's students benefit from ISP's exceptional opportunities to become confident global citizens through programs like ILOS (International Learning Opportunities for Students). As part of the International Schools Partnership (ISP), our students are connected with peers around the world, broadening their horizons and building international networks. Our students also engage in enriching experiences such as field trips, cultural outings, CAS opportunities, Model of United Nations, conferences and both national and international sporting tournaments.

Academic Achievement

St. Dominic's offers a transformative learning experience with world-class curriculum guiding learners from ages 3 to 19 through the IB continuum of education. Our school offers a unique blend of academic excellence and a global outlook, empowering students to achieve outstanding results. Our rigorous curriculum and personalised approach lead to exceptional academic achievements. With a track record of successful university placements worldwide, our graduates pursue higher education at the world best university establishments across the globe.
